Inspired DataWorks Corporation

Mr. Gary Moore

Project Overview

Inspired DataWorks Corporation (the client) is seeking a protected demonstration platform. The platform will be an interactive demonstration of a future web application the client intends to build. It also needs to be secure from public visitors.

Project Proposal

Our proposal is to deliver a custom framework that integrates the feature set requirements to the client's server. The client's existing graphics, content and data will be integrated into the site along with additional graphics and video elements as required. The framework will support a fully customizable, unique landing page (home page), unique feature pages and demo database. The site will be fully responsive for three (3) screens: desktop, tablet & handheld and with mobile optimized content.

Project Investment

Service	Price
Design, Develop and Deploy Framework Includes: Landing page, 3 interactive product/feature pages and 3 interactive product maintenance pages all built on a fully responsive and mobile optimized design.	\$1,750.00
User Account Portal Page	\$250.00
Two Factor Access Security	\$500.00

Fee Schedule

- 50% due upon acceptance of the proposal before work commences
- Balance Due (50%) plus any authorized, incurred expense upon final approval and prior to site launch.

Next Steps

To proceed with this project, we ask you to take the following steps:

- Accept the proposal "as is" or contact us to discuss desired changes.
Please note that changes to the scope of the project can be made but additional charges may apply.
- Finalize and sign this proposal.
- Submit initial payment of 50% of total project fee along with executed copy of this proposal
